Will you be entering the competition events ? Y N

Competition Details:

A CAMS level 2S License will be required for the Collie circuit and hill climb events. For the Autotest event, competitors may enter with a CAMS level 2NS license. All vehicles will be scrutineered prior to these events.

Competition entry forms will be forwarded to you on receiving your registration. The supplementary regulations will be posted (or emailed) to you once CAMS have issued event permits.
